Key Terms and Conditions | Bank of America

Based on the Proposals received, Bank of America provided the lowest interest rate with the following key terms and conditions:

Interest Rate:
 2.36% fixed to maturity on 1/15/2022 (Approximately 2.7 years) - This rate will not change unless there is an event of taxability caused by the City's actions.

 Yield Maintenance: No Yield Maintenance provisions (e.g. due to Bank cost of capital or Corporate Tax Rate changes).

Prepayment:
 Prepayment allowed in whole or part subject to a make-whole prepayment premium – Note given that there is less than 3 years remaining to maturity, it is unlikely that the loan could be refinanced again for savings.

Covered by Bank of America – no out of pocket Bank Counsel costs to be paid by the City.

- Bank Counsel Costs:

Recommendation

- As Financial Advisor to the City, Davenport respectfully recommends that the City proceed with Bank of America's proposal for refunding the 2010A Bonds for the following reasons:

 - Provides the City with interest rate savings in excess of \$600,000 over the next three years, or approximately \$200,000 per year.

 - No Out-of-Pocket Bank Counsel Costs.
