Community Development Block Grant (CDBG) Program
& HOME Investment Partnership (HOME) Program**

CDBG Proposed Amendment

Amendment 2:

The proposed amendment will appropriate \$688,562 in newly allocated CDBG-CV program funds to address urgent needs in response to COVID-19 pandemic. The proposed amendment establishes and funds the following activities:

- **Business Assistance:**
Provides workforce training and job placement services in partnership with Hampton businesses and residents impacted by COVID-19
- **The Support for Health & Human Services:**
Provides funds to support non-profits and city services providing emergency food, shelter, and health care support for low-income residents and low-to-moderate income areas
- **Administration**
Provide funds to support technology and other one-time costs that improve the City's capacity to manage programs related to COVID-19
