SUBJECT: Subdivision exception Boundary Line Adjustment for 13 and 15 Thomas Nelson Drive, Application SUB2021-0003B and Sub-Division Exception, City Council session.

To Planning Commission and City Council,

1. Mr. Christopher Barbour and Mrs. Amy Barbour, and Mr. Henry Guinoo wish to change the the presentation date to city council to allow for changes to the proposal.
2. Background: In our recent session with the planning commission I was able to see an opportunity to meet the planning commissions wishes to reduce the number of segments by one in hopes this meets with favorable action by the city council.
3. Justification: I need time to adjust the plat and confer with Mr. Henry Guinoo. We have some travel plans presently the September date is right after our return.
4. The city has informed us that our request will most likely be seen in a favorable light. Please accept my sincere appreciation for this opportunity I would just like some time to offer a solution that may receive a more favorable outcome.

Signed by,

Christopher R. Barbour
