Resolution to Amend the Fiscal Year 2023 Council Approved Budget and Accept and Appropriate the 2022 Summer Food Service Program Grant for Children through the U.S. Department of Agriculture (USDA)

PURPOSE/BACKGROUND:

The City has obtained USDA Summer Food Service Program funds since 1969 and annually serves qualifying youth ages 17 and under, and disabled adults aged 18. The objective of the USDA Summer Food Service Program is to ensure a nourishing meal during the summer months. The goal is to ensure that youth receive the same quality meal that is received during the school year that is provided through the National School Lunch Program. At least 50% of all participating youth must qualify for free or reduced meals through the National Summer Lunch Program.

Discussion:

The Department of Parks, Recreation and Leisure Services proposes to operate the Summer Food Service Program for children throughout the City during the summer of 2022. It is anticipated that more than 2,500 children will participate in the program creating a significant amount of meals served. This year's program began April 1, 2022 and will end September 1, 2022. The direct cost for services for the Summer Food Service Program is 100% funded through the U.S. Department of Agriculture (USDA). The department will supplement the grant through coordination and indirect program costs.

Impact:

Recommendation:

The recommendation is for approval of the USDA Summer Feeding Service Program.

WHEREAS, the City of Hampton, Virginia has applied for the 2022 Summer Food Service Program Grant for youth with the U.S. Department of Agriculture for \$184,472.09 in federal funds;
