Resolution Authorizing the Issuance of General Obligation Public Improvement Bonds of the City of Hampton, Virginia in the Maximum Principal Amount Not to Exceed \$13,125,000 to Finance Certain Stormwater Public Improvement Projects and General Obligation Refunding Bonds in an Amount Required to Refund Certain Previously Issued Bonds to Achieve Debt Service Savings, and Providing for the Form, Details, and Payment of Such Bonds

PURPOSE/BACKGROUND:

This Resolution is proposing that City Council authorize the issuance of General Obligation Bonds in the estimated maximum principal amount of \$13,125,000 to finance the costs of certain stormwater improvements consistent with the City's Resilient Hampton initiative and costs related to the issuance of the bonds. The bond funds will be used primarily to finance the costs of stormwater management Resilient Hampton pilot projects in the Newmarket Creek area of the City. The pilot projects to be funded include Big Bethel Blueway, North Armistead Avenue Green Infrastructure and Lake Hampton. The Big Bethel Blueway project includes improvements to existing waterways to reduce upstream and downstream flooding. The North Armistead Avenue project is related to the road elevation project and includes improvements to help slow, store and redirect stormwater. The Lake Hampton project includes re-routing stormwater drainage from adjacent neighborhoods into the lake, construction and installation of drainage treatment implements to clean runoff from North Armistead Avenue and shoreline improvements. Each of the three pilot projects is expected to use more than ten percent (10%) of the bond funds. The estimated use of funds for each project is as follows: Big Bethel Blueway (\$2,735,870); North Armistead Avenue Green Infrastructure (\$5,432,302); and Lake Hampton (\$3,831,828). Actual use of bond funds may differ from the estimates. In addition, the bond funds may be used in conjunction with or to leverage grant and other funds that may be used for these purposes.

These bonds are planned to be marketed as Environmental Impact Bonds (EIBs) backed by the City's General Obligation pledge with debt service paid by the Stormwater Fund. These EIBs will include additional disclosures on the performance of the projects being financed. Staff planned to evaluate the performance of these projects to inform future project design so the bonds will not incur additional costs beyond what the City planned to spend. These EIBs may achieve a lower interest rate if they attract buyers who are willing to accept a lower return to support their purpose. However, since this form of financing is so new, achieving a lower interest rate than standard General Obligation Bonds is uncertain.

The Resolution further proposes that City Council authorize the refunding of certain general obligation bonds in an amount required to refund certain previously issued bonds to achieve debt service savings; provided the refunding of any bonds satisfies a minimum debt service savings goal of at least 3% on a net present value basis.

The resolution, if adopted, will authorize the Director of Finance, with the approval of the City Manager, for and on behalf of the City, to sell such bonds for such purposes, and to provide for the form, details and payment of the bonds.

Discussion:

See Purpose/Background.

WHEREAS, it is the consensus of the Council of the City that the City should authorize (i) the issuance and sale of general obligation public improvement bonds in the maximum principal amount not to exceed \$13,125,000 to finance the cost of certain stormwater public improvement projects of the City, including projects in the Newmarket Creek area of the City, (ii) the issuance and sale of general obligation refunding bonds for debt service savings on previously issued general obligation bonds of the City (the "Prior Bonds"), and (iii) the payment of issuance costs related to such bonds to be paid from the proceeds thereof;

WHEREAS, the City has advanced or expects to advance its own funds to pay certain expenditures related to the stormwater improvement projects to be financed from the bonds, and the City intends to receive reimbursement for such expenditures from the proceeds of the bonds; and

WHEREAS, a public hearing on the proposed issuance of the bonds to finance the stormwater projects has been advertised and held in the manner required by Section 15.2-2606 of the Public

Finance Act of 1991 (the “Act”).

NOW THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF HAMPTON, VIRGINIA AS FOLLOWS:

§ 1. Authorization of Bonds. The issuance of bonds for the stormwater projects is authorized in the maximum principal amount not to exceed \$13,125,000 (the “New Money Bonds”) in order to (i) finance the costs of public stormwater improvement projects for the purposes hereinafter described, and (ii) pay issuance and related costs of the New Money Bonds. The issuance of bonds to refund Prior Bonds is authorized in the maximum principal amount not in excess of the amount permitted by Section 15.2-2645 of the Act (the “Refunding Bonds”) in order to (i) refund Prior Bonds or portions thereof meeting the minimum debt service savings requirement set forth in paragraph 3 below, and (ii) pay issuance and related costs of the Refunding Bonds. The New Money Bonds and the Refunding Bonds (collectively, the “Bonds”) shall be designated “General Obligation Public Improvement Bonds,” may be issued in separate series and may also include such other term or terms as part of their designation as the officers herein authorized deem appropriate, including terms or phrases to reflect any environmental goals or objectives of the projects to be financed. The Refunding Bonds shall include “Refunding” in their designation.

§ 2. Use of Proceeds of New Money Bonds. Proceeds of the New Money Bonds shall be used by the City to finance in whole or in part, public improvement undertakings for the City’s stormwater system, including but not limited to: the construction or reconstruction of storm sewers, drains and culverts, and other improvements for the purpose of slowing, redirecting, treating and storing stormwater and mitigating flooding associated with stormwater runoff, among other purposes, and to pay costs related to the issuance of the New Money Bonds.

§ 3. Authorization of Refunding Bonds. Provided the refunding of any Prior Bonds issued by the City will achieve debt service savings of at least 3% on a net present value basis, the Director of Finance, with the approval of the City Manager, is authorized and directed to select the principal maturities of the Prior Bonds or portions of such maturities to be refunded and to cause to be called for optional redemption any such maturity or portion thereof to be redeemed prior to the stated maturity in accordance with the provisions of such Prior Bonds. In connection with the refunding herein authorized, the City Manager, if determined necessary or appropriate in consultation with the City’s financial advisor (the “Financial Advisor”), is authorized to retain the services of independent consultants to provide verification reports (the “Verification Agent”) on aspects of the refunding and is further authorized to retain the services of one or more escrow agents (the “Escrow Agent”) and to enter into escrow agreements with them to the extent needed to hold and provide for investment of all or portions of the proceeds of the Refunding Bonds and other funds as needed pending their application to refund the Prior Bonds or portions thereof selected to be refunded. The net present value savings achieved from any such refunding of Prior Bonds shall be certified by the Director of Finance and City Manager and verified by the Financial Advisor.

§ 4. Terms of Sale; Delegation of Authority. The Council hereby approves the following terms of the sale of the Bonds. The Bonds may be sold all at one time or at different times, in either case in one or more series as tax-exempt or taxable obligations, as may be determined by the Director of Finance of the City in consultation with the Financial Advisor and the City’s Bond Counsel, with the approval of the City Manager of the City. The Bonds shall be sold upon recommendation of the Financial Advisor, at either competitive bid, negotiated sale or private placement, at such price or prices as the Director of Finance, with the

approval of the City Manager, shall determine to be in the best interest of the City, provided: (i) the true interest cost of the Bonds shall not exceed 4.5% taking into account any original issue discount or premium, but excluding any credit enhancement premium (ii) the sale price of the Bonds to the underwriters or other initial purchasers thereof shall not be less than 98% of the aggregate principal amount of the Bonds, not taking into account any original issue discount or premium, (iii) the final maturity of the New Money Bonds shall not be later than 22 years from their dated date or such lesser period as set forth in the City's general obligation bond debt policy, (iv) the final maturity of the refunded Prior Bonds shall not be later than the final maturity of the Prior Bonds being refunded, and (v) any optional redemption premium shall not exceed two percent (2%) of the principal amount of the Bonds. The Director of Finance, with the approval of the City Manager, is authorized to negotiate and acquire credit enhancement for the Bonds if it is determined in the City's best interest to do so based upon the recommendation of the Financial Advisor. In connection with any negotiated sale of the Bonds, the Director of Finance, with the approval of the City Manager, is authorized to negotiate, execute and deliver a purchase agreement for the purchase and sale of the Bonds on terms not inconsistent with the terms authorized in this Resolution.

The actions of the Director of Finance, with the approval of the City Manager, in selling the Bonds shall be conclusive, and no further action shall be necessary on the part of the Council. This Resolution is intended to grant to the Director of Finance and the City Manager full and complete authority to finalize the terms of the Bonds, to provide for their issuance and sale and to execute and deliver any and all documentation in connection therewith without further approval by Council, subject to the requirements and conditions of this Resolution, the Public Finance Act, the City Charter and the Constitution and other laws of the Commonwealth of Virginia.

§ 5. **Redemption and Purchase.** Subject to the following paragraph, the Bonds may be subject to redemption or purchase prior to maturity at the option of the City on or after dates, if any, determined by the Director of Finance, with the approval of the City Manager, in whole or in part at any time, at a redemption price or purchase price equal to the principal amount to be redeemed or purchased, together with any accrued interest to the redemption or purchase date and a redemption or purchase premium, if any, as set forth in paragraph 4 hereof, not to exceed 2% of the principal amount to be redeemed or purchased, such redemption or purchase premium to be determined by the Director of Finance, with the approval of the City Manager. Any portion of the Bonds issued as term bonds may be subject to mandatory sinking fund redemption as determined by the Director of Finance, with the approval of the City Manager with such redemption terms being set forth in the Bonds.

If less than all of the Bonds are called for optional redemption or purchase, the maturities of bonds to be redeemed or purchased shall be selected by the Director of Finance in such manner as such officer may determine to be in the best interest of the City. If less than all the bonds of a particular maturity are called for redemption or purchase, the bonds within such maturity to be redeemed or purchased shall be selected by the Securities Depository, herein defined, for the Bonds, if any, pursuant to its rules and procedures or, if the book-entry system is not in effect, shall be selected by the Registrar, herein defined, by lot in such manner as the Registrar in its discretion may determine. In either case, (a) the portion of any bond to be redeemed or purchased shall be in the principal amount of \$5,000, or an integral multiple thereof, and (b) in selecting bonds for redemption or purchase, each bond shall be considered as representing that number of bonds that is obtained by dividing the principal amount of such bond by \$5,000. The City shall cause notice of the call for redemption identifying the bonds or portions thereof to be redeemed to be sent by facsimile or electronic transmission, registered or certified mail or overnight express delivery, not less than 30 nor more than 60 days prior to the redemption date, to the Securities Depository for the bonds or its nominee as the registered owner thereof, or, if the book-entry system is not in effect, to the persons

shown on the registration books of the Registrar to be the registered owners of the bonds. If the book-entry system is in effect, the City shall not be responsible for giving notice of redemption to anyone other than the Securities Depository for the Bonds or its nominee; provided, however, the City will comply with any redemption notice requirement set forth in paragraph 15 hereof relating to its continuing disclosure undertaking. If a portion of a bond is called for redemption, a new bond in principal amount of the unredeemed portion thereof shall be issued to the registered owner upon surrender thereof.

§ 6. Bond Details. The Bonds shall be in registered form and shall be designated by title, date and series, bear interest from the date, be payable on the payment dates, and mature at such time or times not exceeding the term specified herein, subject to the limitations set forth above, and in amounts as either serial or term bonds, or both, with sinking fund payments, if any, all as determined by the Director of Finance, with the approval of the City Manager.

Each bond shall be issued in the denomination of \$5,000 or any integral multiple thereof and shall bear interest at such rate as shall be determined at the time of sale, calculated on the basis of a 360-day year and a 30-day month, payable semiannually as determined by the Director of Finance, with the approval of the City Manager, subject to the terms of this Resolution.

Principal and premium, if any, shall be payable to the registered owners upon surrender of bonds as they become due at the office of the Registrar. Interest shall be payable by check or draft mailed, or by electronic transfer, to the registered owners at their addresses as they appear on the registration books kept by the Registrar on the date prior to each interest payment date that shall be determined by the Director of Finance, with the approval of the City Manager (the "Record Date"); provided however, any Record Date contained in the bond certificate shall be deemed the determination of such officers. Principal, premium, if any, and interest shall be payable in lawful money of the United States of America.

Initially, unless the bonds are issued in a private placement, one bond certificate for each maturity of the Bonds shall be issued to and registered in the name of The Depository Trust Company, New York, New York ("DTC"), or its nominee. The City has heretofore entered into a Blanket Issuer Letter of Representations relating to a book-entry system to be maintained by DTC with respect to the Bonds. "Securities Depository" shall mean DTC or any other securities depository for the Bonds appointed pursuant to this Section.

In the event that (a) the Securities Depository determines not to continue to act as the securities depository for the Bonds by giving notice to the Registrar, and the City discharges its responsibilities hereunder, or (b) the City, in its sole discretion, determines (i) that beneficial owners of Bonds shall be able to obtain certificated bonds or (ii) to select a new Securities Depository, then the City's Director of Finance shall, at the direction of the City, attempt to locate another qualified securities depository to serve as Securities Depository and authenticate and deliver certificated bonds to the new Securities Depository or its nominee, or authenticate and deliver certificated bonds to the beneficial owners or to the Securities Depository participants on behalf of beneficial owners. In delivering certificated bonds, the City's Director of Finance shall be entitled to rely on the records of the Securities Depository as to the beneficial owners or the records of the Securities Depository participants acting on behalf of beneficial owners. Such certificated bonds will then be registrable, transferable and exchangeable as set forth herein.

So long as there is a Securities Depository for the Bonds, (1) it or its nominee shall be the registered owner of the Bonds, (2) notwithstanding anything to the contrary in this Resolution, determinations of persons entitled to payment of principal, premium, if any, and interest, transfers of ownership and exchanges, and receipt of notices shall be the responsibility of the Securities Depository and shall be effected pursuant to rules and procedures established by such Securities Depository, (3) the Registrar and the City shall not be responsible or liable for maintaining,

supervising or reviewing the records maintained by the Securities Depository, its participants or persons acting through such participants, (4) references in this Resolution to registered owners of the Bonds shall mean such Securities Depository or its nominee and shall not mean the beneficial owners of the Bonds, and (5) in the event of any inconsistency between the provisions of this Resolution and the provisions of the above-referenced Blanket Issuer Letter of Representations, such provisions of the Blanket Issuer Letter of Representations, except to the extent set forth in this paragraph and the immediately preceding paragraph, shall control.

§ 7. Preparation, Execution and Delivery of Bonds. The City Manager, the Director of Finance and the City Clerk are authorized and directed to take all proper steps to have the Bonds prepared and executed in accordance with their terms and to deliver the Bonds to or for the account of the purchasers thereof upon payment therefor. The Bonds shall be signed by the manual or facsimile signatures of the City Manager or the Director of Finance, and the City's seal may be affixed thereto or a facsimile thereof printed thereon and attested by the manual or facsimile signature of the City Clerk. The Bonds may also be signed by the Mayor of the City. No bond signed by facsimile signatures shall be valid until it has been authenticated by the manual signature of an authorized officer or employee of the Registrar and the date of authentication noted thereon.

§ 8. Form of Bonds. The Bonds shall be in the form or forms as the Director of Finance may select, with such terms and provisions not inconsistent with this Resolution as may be approved by the officers signing the Bonds, whose approval shall be evidenced conclusively by the execution and delivery thereof.

§ 9. Pledge of Full Faith and Credit. The power and obligation of the City to pay principal of, premium, if any, and interest on the Bonds shall be unlimited and the City shall levy and collect ad valorem taxes upon all taxable property within the City, without limitation as to rate or amount, sufficient to pay the principal of, premium, if any, and interest on the Bonds to the extent other funds of the City are not sufficient or available for such purpose. The full faith and credit of the City are pledged for the payment of principal of, premium, if any, and interest on the Bonds.

§ 10. Duties of Registrar. The Registrar shall be selected by the Director of Finance, with the approval of the City Manager. The Director of Finance may also serve as Registrar. The Registrar shall maintain registration books for the registration of the Bonds. Upon surrender of any bond to the Registrar, together with an assignment duly executed by the registered owner or his duly authorized attorney or legal representative in such form as shall be satisfactory to the Registrar, the City shall execute, and the Registrar shall authenticate and deliver in exchange, a new bond or bonds having an equal aggregate principal amount, in authorized denominations, of the same form and maturity, bearing interest at the same rate, and registered in names as requested by the then registered owner or such owner's duly authorized attorney or legal representative. Any such exchange shall be at the expense of the City, except that the Registrar may charge the person requesting such exchange the amount of any tax or other governmental charge required to be paid with respect thereto.

The Registrar shall treat the registered owner as the person exclusively entitled to payment of principal, premium, if any, and interest and the exercise of all other rights and powers of the owner, except that interest payments shall be made to the person shown as owner on the registration books as of the Record Date.

§ 11. Legal Debt Limit. The Council has ascertained and hereby determines and states that the maximum principal amount of the Bonds authorized by this Resolution, taking into

account all other outstanding general obligation bonds or other general obligation indebtedness heretofore issued or contracted by the City for any purpose, or in any manner, does not exceed 10% of the assessed valuation of the real estate in the City subject to taxation, as shown by the last preceding assessment for taxes, and as a result, the Bonds are within the limitation of indebtedness as provided in Section 6.16 of the City Charter, Section 15.2-2634 of the Public Finance Act and Article VII, Section 10 of the Virginia Constitution.

§ 12. Offering Documents. The City Manager and the Director of Finance are authorized and directed to have prepared and distributed, in accordance with standard practices of municipal securities, one or more Preliminary Official Statements of the City describing the Bonds as authorized herein, the security therefor, and providing any other pertinent or relevant information. The Director of Finance shall make such completions, omissions, insertions and changes in such Preliminary Official Statement not inconsistent with this Resolution as are necessary or desirable to complete it as a final Official Statement. The City shall arrange for the delivery to the purchasers of the Bonds of a reasonable number of copies of the final Official Statement, within seven business days after the date the Bonds have been awarded or their sale negotiated, for delivery to each potential investor requesting a copy of the final Official Statement and to each person to whom any underwriter or bidder and members of the underwriting or bidding group initially sell Bonds.

§ 13. Offering Document Determination. The Director of Finance is authorized, on behalf of the City, to deem such Preliminary Official Statement in final form, and such Official Statement in final form, each to be final as of its date within the meaning of Rule 15c2-12 (the "Rule") of the Securities and Exchange Commission (the "SEC"), except for the omission in such Preliminary Official Statement of certain pricing and other information allowed to be omitted pursuant to the Rule. The distribution of such Preliminary Official Statement and such Official Statement in final form shall be conclusive evidence that each has been deemed final as of its date by the City, except for the omission in such Preliminary Official Statement of such pricing and other information.

§ 14. Tax Compliance Undertakings.

(a) The City covenants that it shall not take or omit to take any action the taking or omission of which will cause any of the Bonds issued as tax-exempt obligations to be "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended, including regulations issued pursuant thereto (the "Code"), or otherwise cause interest on the Bonds issued as tax-exempt obligations to be includable in the gross income for federal income tax purposes of the registered owners thereof under existing law. Without limiting the generality of the foregoing, the City shall comply with any provision of law that may require the City at any time to rebate to the United States any part of the earnings derived from the investment of the gross proceeds of the Bonds, unless the City receives an opinion of nationally recognized bond counsel that such compliance is not required to prevent interest on the Bonds issued as tax-exempt obligations from being includable in the gross income for federal income tax purposes of the registered owners thereof under existing law. The City shall pay any such required rebate from its legally available funds.

(b) Such officers of the City as may be requested are authorized and directed to execute appropriate certificates setting forth facts and covenants related to the expected use and investment of the proceeds of the Bonds issued as tax-exempt obligations in order to show that such expected use and investment will not violate the provisions of Section 148 of the Code and any elections such officers deem desirable regarding rebate of earnings to the United States for purposes of complying with Section 148 of the Code. Such certificates, covenants and elections shall be in

such form as may be requested by bond counsel for the City.

(c) The City covenants that it shall not permit the proceeds of the Bonds issued as tax-exempt obligations or the facilities financed with the proceeds of such Bonds to be used in any manner that would result in (a) 10% or more of such proceeds or the facilities financed with such proceeds being used in a trade or business carried on by any person other than a governmental unit or 5% or more of such proceeds or facilities financed with such proceeds being used for such purpose where such use is unrelated or disproportionate to the governmental use of such proceeds, as provided in Section 141(b) of the Code, (b) 5% or more of such proceeds or the facilities financed with such proceeds being used with respect to any output facility (other than a facility for the furnishing of water), within the meaning of Section 141(b)(4) of the Code, or (c) 5% or more of such proceeds being used directly or indirectly to make or finance loans to any person other than a governmental unit, as provided in Section 141(c) of the Code; provided, however, that if the City receives an opinion of nationally recognized bond counsel that any such covenants need not be complied with to prevent the interest on the Bonds issued as tax-exempt obligations from being includable in the gross income for federal income tax purposes of the registered owners thereof under existing law, the City need not comply with such covenants.

(d) Notwithstanding the foregoing, if between the date of adoption of this Resolution and the date of issuance of the Bonds, changes to federal tax law impose new or additional requirements to establish and maintain the tax-exempt status of bonds issued as tax-exempt obligations; impose requirements for the issuance of bonds under any tax-advantaged status to be established or impose requirements generally for the issuance of governmental obligations, the Director of Finance, with the approval of the City Manager, is authorized to comply with any generally applicable requirements and with any specific requirements applicable to the tax status of the Bonds selected by such officers.

§ 15. Post-Issuance Tax Compliance. The Post Issuance Policies and Procedures previously established by the City Manager and Director of Finance as directed by Council to ensure compliance with the Tax Compliance Undertakings shall apply to the Bonds, and shall be administered by the Director of Finance and such other officers and staff as the Director of Finance may designate and authorize for such purpose.

§ 16. Continuing Disclosure Undertakings. The City desires to assist the purchasers of the Bonds in complying with the provisions of Section (b)(5)(i) of the Rule. In order to accomplish this, the City covenants to do the following to the extent required or requested:

(14) appointment of a successor or additional trustee or the change of name of a trustee, if material;

(15) incurrance of a financial obligation of hte City,if material, or agreement to covenants, events of default, remedies, priority rights, or other similar ters of a financial obligation of the City, any of which affect security holders, if material; and

(16) default, event of acceleration, termiantion event, modification of fterms, or other similar events under the terms of hte financial obligation of hte City, any of which reflect financial difficulties.

The term "financial obligation" as used in the listing of events above means a (i) debt obligation; (ii) derivative instrument entered into in connection with, or pledged as security or source of payment for, an existing or planned debt obligation; or (iii) guarantee of (i) or (ii). The term "financial obligation" shall not include municipal securities as to which a final official statement has been provided to the MSRB consistent with the Rule.

(C) Termination. The covenants and obligations of the City specified in subsections (A) and (B) to the extent they apply shall terminate upon the redemption, defeasance (within the meaning of the Rule) or payment in full of all the Bonds.

The City reserves the right to modify its obligations specified in subsections (A) and (B) without the consent of bondholders, provided that such modification complies with the Rule as it exists at the time of modification. The City shall, within a reasonable time thereafter, send to the MSRB, a description of such modification(s).
