The City owns property at the northeast quadrant of the intersection of Coliseum Drive and Pine Chapel Road (the former Best Products site), specifically identified as 1908 Coliseum Drive (LRSN 7001217), which is the site for the new Hampton Virginia Aquaplex.

On or about July 8, 2020, the City entered into a Comprehensive Agreement with Clancy & Theys Construction Co. for the design and construction of a state of the art Aquatics Center which requires electrical power service. Dominion Energy requests a 20' x 270' utility easement (Totaling 5,400+/- Square Feet) for the transmission and distribution of electrical power on the property as depicted on the sketch attached to the Right of Way Agreement. Staff recommends approval of the easement and attached agreement.

This item is exempt from the public hearing requirement under § 15.2-1800(B).
