Ordinance to Amend and Reenact the City Code of the City of Hampton, Virginia by Amending Article VIII of Chapter 9 Entitled, "Identification and Inspection of Rental Dwelling Units" Pertaining to Expansion of the North Phoebus District Boundaries

**Background Statement:**

In October of 2013, City Council established a number of rental inspection districts within the City of Hampton, one of which was the North Phoebus District. The purpose of the rental inspection program is to ensure safe, decent and sanitary housing, stabilize neighborhoods and reduce and/or prevent blight.

City staff received a request from stakeholders in the Phoebus area to expand the original North Phoebus District to include adjacent properties. Pursuant to Code of Virginia section 36-105:1:1 and section 9-241 of the Code of the City of Hampton, a finding must be made that (i) there is a need to protect the public health, safety and welfare of the occupants of dwelling units inside the expanded district; (ii) the residential rental dwelling units within the expanded district are either (a) blighted or in the process of deteriorating, or (b) the residential rental dwelling units are in the need of inspection by the community development department to prevent deterioration, taking into account the number, age and condition of residential dwelling units inside the expanded district boundaries; and (iii) the inspection of residential rental dwelling units inside the expanded district boundaries is necessary to maintain safe, decent and sanitary living conditions for tenants and other residents living within the expanded district boundaries.

Staff has determined that based on the average age of housing in the expanded district (65 years), the percent of rental units in the expanded district (49%), the value of the housing as a percentage of the City's average (66%) and the condition of the dwellings, that the criteria are satisfied as set forth by the Code of Virginia and the Code of the City of Hampton. A public meeting was held on February 28, 2017 at the Open Door Baptist Church in Phoebus, to give members of the community

information about the expanded district and answer any questions that they had. The Planning Commission was also briefed on the expansion of the district at their April 20, 2017 meeting; no action by the Planning Commission was necessary.

**Recommendations:**

Staff Recommendation:

Approval

**WHEREAS**, the City Council is authorized, pursuant section 36-105.1:1 of the Code of Virginia, to inspect residential rental dwelling units for compliance with the Uniform Statewide Building Code and to promote safe, decent, and sanitary housing for its citizens;

**WHEREAS**, by ordinance adopted October 23, 2013, the City Council established a number of rental inspection districts within the City of Hampton, which included the North Phoebus District (the "District");

**WHEREAS**, upon a request from stakeholders in Phoebus, the City reviewed the area immediately surrounding the existing District to determine whether the District should be expanded to include additional dwelling units to the southeast of the original District boundaries;

**WHEREAS**, in accordance with section 36-105:1:1 of the Code of Virginia and section 9-241 of the City Code of the City of Hampton and based upon the evidence presented through the staff report, the City Council finds that (i) there is a need to protect the public health, safety and welfare of the occupants of dwelling units inside the expanded District; (ii) the residential rental dwelling units within the expanded District are either (a) blighted or in the process of deteriorating, or (b) the residential rental dwelling units are in the need of inspection by the community development department to prevent deterioration, taking into account the number, age and condition of residential dwelling rental units inside the expanded District boundaries; and (iii) the inspection of residential rental dwelling units inside the expanded District boundaries is necessary to maintain safe, decent, and sanitary living conditions for tenants and other residents living in the expanded District boundaries;

**WHEREAS**, before adopting an ordinance to establish or amend a rental inspection district, the City Council is required by the Virginia Code to hold a public hearing on the proposed ordinance; and

**WHEREAS**, accordingly, the City Council has held a duly advertised public hearing on the proposed amendment, which would expand the boundaries of the District as set forth herein.

**NOW, THEREFORE, BE IT ORDAINED** by the City Council of the City of Hampton, Virginia that section 9-242 of the City Code of the City of Hampton, Virginia be amended and reenacted to read as follows:

**Sec. 9-242. - Rental inspection districts.**
