Annual Review and Approval of the Hampton-Newport News Community Services Board FY 17 Performance Contract

PURPOSE/BACKGROUND:

The Hampton-Newport News Community Services Board ("CSB") annually submits to the City Council its performance contract for community mental health, development, and substance abuse services for approval as required by Virginia Code § 37.2-508. This contract is the primary accountability and funding mechanism between the Virginia Department of Behavioral Health and Developmental Services ("Department") and the CSB. Before the Department approves, the governing bodies of each city that established the CSB must approve the performance contract.
