Resolution Approving the City of Hampton, Virginia's Participation and Appropriation of the Virginia 9-1-1 Services Board's FY20 Public Safety Answering Point (PSAP) Education Program Grant

PURPOSE/BACKGROUND:

The Virginia 9-1-1 Services Board has awarded the City of Hampton Police Division's PSAP grant funding in the amount of \$3,000.00 in state funding with no match requirement in support of the Police Division's Public Safety Answering Point's (PSAP) Education Program. The grant funds are to support the education and training of the E911 Dispatchers to foster and enhance consistent knowledge and awareness of current and advancing 9-1-1 and GIS (Geographic Information Systems) public safety communications standards, issues, procedures, practices, technologies, and other relevant matters.

Discussion:

The Public Safety Answering Point (PSAP) Education Program (PEP) will allow the Hampton Police Division's Emergency Communications Center to fund continuing education for E-9-1-1 Dispatchers. It is anticipated that funding will allow dispatch personnel to attend the Annual Virginia NENA (National Emergency Number Association) / APCO (Association of Public-Safety Communications Officials) Conference. Any remaining funding will be allocated towards in-house Emergency Dispatch Training (EMD). This will allow Hampton's E-9-1-1 Dispatchers to continue to evolve their knowledge, skills, and abilities relating to the services provided to the citizens of Hampton.

Impact:

The FY20 PSAP Education Grant will greatly improve the Hampton Police Division's Communication Center's (E-9-1-1 Dispatch) service to both citizens and other emergency personnel. This education program will be state funded with no fiscal impact to the City.

Recommendation:

It is the recommendation of the Hampton Police Division that the City Council of the City of Hampton accepts and appropriates the Virginia 9-1-1 Service's Board FY20 Public Safety Answering Point (PSAP) Education Program Grant for the implementation of the grant award.

WHEREAS, the City of Hampton Police Division has been awarded the FY20 Public Safety Answering Point (PSAP) Education Program Grant in the amount of \$3,000.00 in state funds with no local match; and
