Ordinance to Adopt Tax Rates Applicable to All Classifications of Tangible Personal Property Liable for Such Levy in the City of Hampton, Virginia for the Calendar Year Beginning January 1, 2025

PURPOSE/BACKGROUND:

Ordinance to adopt the tax rates applicable to all classifications of tangible personal property liable for such levy in the City of Hampton, Virginia as presented in the City Manager's Recommended Budget for Fiscal Year 2025.

Discussion:

This ordinance adopts tax rates applicable to any and all tangible personal property in the entire City, including Fort Monroe and the U. S. Government Reservations of Langley Field and the Kecoughtan Veterans Facility. No personal property tax rate increases are proposed. The generally applicable tax rate is four and 50/100 Dollars (\$4.50) per \$100.00 of assessed value. The tax rates applicable to the following categories shall be less than that rate, as permitted by Code of Virginia Sec. 58.1-3506: (1) certain classes of tangible personal property exempt from taxation pursuant to Hampton City Code §37-141 (applicable to certain household goods and personal effects); (2) vehicles without motive power used or designed to be used as a manufactured home; (3) motor vehicles specially equipped to provide transportation for physically handicapped individuals; (4) machinery and tools; (5) machinery and tools used directly in the manufacture of precision investment castings; (6) privately owned pleasure boats and watercraft, 18 feet and over, used for recreational purposes only; (7) privately owned pleasure boats and watercraft, motorized and under 18 feet that are used for recreational purposes only; (8) privately owned pleasure boats and watercraft, nonmotorized and under 18 feet that are used for recreational purposes only; (9) boats or watercraft weighing less than five tons used for business purposes only; (10) boats or watercraft weighing five tons or more used for business purposes only; (11) privately owned camping trailers, privately owned travel trailers, and certain privately owned trailers designed for the transportation of horses; (12) privately owned motor homes that are used for recreational purposes only; (13) one (1) motor vehicle owned and regularly used by a disabled veteran; and (14) tangible personal property of certain public service

corporations.

The public hearings necessary to adopt a budget and these tax rates were duly advertised in the Daily Press on April 14, 2024 and April 21, 2024.

Pursuant to Hampton City Code Sec. 2-50(c), "No ordinance or resolution, having for its object a tax rate increase, shall be passed on the same day of its introduction, except such a rate may be passed on the same day of its introduction by the concurrence of five (5) members of the council, pursuant to a motion made for that purpose. In addition, in no instance shall the tax rate increase adopted exceed such rate published and advertised prior to its adoption." This ordinance is being introduced on May 1, 2024. Final approval will be requested at City Council's meeting on May 8, 2024.

Impact:

All tax rates stated below are the same as those tax rates adopted for calendar year 2024.
