Resolution Determining Damuth Trane to be the Only Source Practicably Available from which to Procure Heating and Air Conditioning Equipment and Services and Authorizing the Negotiation and Execution of a Purchase Contract with Damuth Trane as a "Sole Source"

PURPOSE/BACKGROUND:

The Facilities Division of the Department of Public Works maintains a number of public buildings that have heating and air conditioning equipment manufactured by Damuth Trane ("Damuth"). Damuth is the only vendor authorized to supply equipment, service, and warranties on Damuth-manufactured heating and air conditioning systems.

The City recognizes the public interest in providing the most efficient means reasonably available and affordable to maintain equipment in all public buildings. The price at which Damuth Trane has offered for its parts and service have been determined to be fair and reasonable. The Manager of Consolidated Procurement approves this sole source procurement.
