PURPOSE/BACKGROUND:

The Department of Housing and Urban Development (HUD) requires entitlement communities to hold a public hearing to review program performance and to obtain the views of citizens on housing and community development needs. The report has been available for a 30-day public review and comment period since Monday, August 28, 2017. The public comment period will end on September 27, 2017. All public comments received will be incorporated into the final draft of the plan, which will be submitted to HUD on September 29, 2017.

The availability of the plan for public review and comment was and will be advertised on the following dates: August 28; September 14; and September 21, 2017.
