Resolution to Approve an Encroachment Agreement Pursuant to Hampton City Code § 34-86 Between the City of Hampton and Joseph Hella and Gabrielle L. Hella to Allow an Encroachment into City Property for Construction/Installation of a Fence at 327 Lakeland Drive

PURPOSE/BACKGROUND:

Joseph Hella and Gabrielle L. Hella (the "Licensees"), own property located at 327 Lakeland Drive (LRSN 12000188) (the "Licensees' Parcel"). The City of Hampton has a 5-foot wide drainage easement along the southern property line of the Licensees' Parcel (the "City Easement"). Licensees request permission to encroach into two 6 (six) +/- square foot fence encroachment areas (Area #1 and Area #2) of the City Easement, all areas more or less the "Licensed Area", to install a fifty-four inch (54") tall aluminum fence (the "Licensed Improvement"), as requested on their encroachment application and as further illustrated on Exhibit "A" attached to the Encroachment Agreement presented to Council for approval.

The request was routed to City staff and local utility companies, and none had any objections, but some recommend certain conditions that are included in the attached Encroachment Agreement. Therefore, pursuant to Hampton City Code § 34-86, City staff recommend approval of the Encroachment Agreement.
