Parks Master Plan

PURPOSE/BACKGROUND:

This briefing will provide information on the Parks Master Plan process, as well as give an overview of the initial data and citizen input collected during focus groups and the initial public meeting (held August 20, 2019).

Impact:

This plan is a guiding policy document for the Parks, Recreation, and Leisure Services Department and will guide investment decisions for renovation, redevelopment, and future development of the City's park infrastructure and recreational facilities, as well as be a resource to enhance recreation programming and sports tourism in the City.
