The report has been available for a 30-day public review and comment period since Friday, August 24, 2018. The public comment period will end on Wednesday, September 26, 2018. All public comments received will be incorporated into the final draft of the plan, which will be submitted to HUD on September 28, 2018.

The availability of the plan for public review and comment was and will be advertised on the following dates: August 24; September 13; and September 20, 2018.
