Motion to accept the donation of equipment valued at approximately \$90,000.00 from the Hampton Roads Metropolitan Medical Response System to the City for use by the Hampton Fire Division.

PURPOSE/BACKGROUND:

The Hampton Roads Metropolitan Medical Response System (HRMMRS) received a grant to purchase a 2019 StarCraft Mass Casualty Incident (MCI) bus constructed on a Ford F550 chassis. This vehicle is considered a regional asset through HRMMRS system assigned to Hampton, it will be housed and used by City of Hampton Fire and Rescue division. This vehicle will replace/augment the current MCI bus currently owned by the Hampton Fire Division which was also purchased by HRMMRS.

Impact:

The cost of this equipment if replaced by the City would be approximately \$90,000.00. General maintenance will be covered by the City of Hampton Fire and Rescue division, all major maintenance will be covered by HRMMRS.

Recommendation:

Approval of the donation by motion pursuant to City Code Sec. 2-134.
