Budget Briefings - Tax Relief Programs and Opportunities for Public Input on the FY20 Budget

PURPOSE/BACKGROUND:

Brief Council on the Tax Relief Programs and on opportunities for public input in developing budget priorities.

Discussion:

Tax relief programs have a significant budget impact. The Commissioner of Revenue will outline these impacts.

The City Manager will offer several open meetings and other public input opportunities for residents to express their priorities about funding priorities for fiscal 2020.

Recommendation:

No action required by Council.
