Resolution to Amend the Fiscal Year 2021 Council Approved Budget to Appropriate \$18,938.57 from the Women in Public Service (WIPS) Conference Assigned Fund Balance Account to the Fire & Rescue Division's Operating Budget.

PURPOSE/BACKGROUND

The Women in Public Service (WIPS) Conference has been hosted by its founding city and fire department, Portsmouth Fire, Rescue & Emergency Services, for ten (10) years. In 2019 it was decided that other jurisdictions would share the hosting responsibilities. The City of Hampton Division of Fire & Rescue hosted the 2019 WIPS Conference with the expectation that we would host again in 2020. Unfortunately, the pandemic forced the cancellation of the 2020 conference. The 2021 conference will be hosted once again by Portsmouth Fire, Rescue & Emergency Services. They have requested the remaining 2019 revenue funds be transferred to them to cover expenses for the conference.

IMPACT

There is no monetary impact to the City of Hampton. Funds generated by the conference were used to support the expenses for the 2019 conference. All remaining funds are to go to the next jurisdiction to help host the 2021 WIPS Conference (in this case, Portsmouth).

Recommendation:

Approve

WHEREAS, the City of Hampton's Fire and Rescue Division hosted the 2019 WIPS conference; and

WHEREAS, the proceeds from the 2019 WIPS conference totaling \$18,938.57 have been

deposited into an assigned fund balance account; and

WHEREAS, the Division of Fire & Rescue is requesting those funds be transferred to their operating budget in order to send the funds to the City of Portsmouth, the next hosting city.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Hampton, Virginia hereby amends its Fiscal Year 2021 Council Approved Budget to appropriate \$18,938.57 from the WIPS conference Assigned Fund Balance Account to the operating budget of the Division of Fire & Rescue.

BE IT FURTHER RESOLVED that the City Council authorizes the City Manager, or her designee, to take the necessary actions to implement this request.
