2020 - 2021 Consolidated Annual Performance and Evaluation Report (CAPER)

PURPOSE/BACKGROUND:

The Department of Housing and Urban Development (HUD) requires entitlement communities to hold a public hearing to review program performance and to obtain the views of citizens on housing and community development needs. The program year 2020-2021 Consolidated Annual Performance and Evaluation Report (CAPER) provides a review of the City's performance and use of Community Development Block Grant (CDBG) and HOME Investment Partnership Program funds.

The report has been available for a 15-day public review and comment period since Monday, August 23, 2021. The public comment period will end on Wednesday, September 8, 2021. All public comments received will be incorporated into the final draft of the plan, which will be submitted to HUD on September 30, 2021.

Discussion:

There is no fiscal impact to the City; however, HUD requires this report annually.

Impact:

This report provides an overview of the accomplishments in the Council approved strategic housing areas.

Recommendation:

Staff requests Council to accept public comments on the report and approve the report for submission to HUD.
