Ordinance to Amend and Reenact Section 24-39.1 of the City Code of the City of Hampton, Virginia, Entitled, "Open Storage of Inoperable Vehicles on Property Zoned For Other Than Residential Purposes" Pertaining to the Applicability of that Section to New Vehicle Sales

PURPOSE/BACKGROUND:

Since the comprehensive change to the City's inoperable vehicles regulations in 2020, staff was asked to review the application of the new regulations to new car sales businesses. Upon review, staff determined that new car sales businesses were unnecessarily regulated. Approval of this amendment would exempt new car sales businesses from the City's existing commercial inoperable vehicles regulation if those new car sales business also engage in either heavy or light vehicle repair on the same property as the new car sales business.

Recommendation:

Staff recommends approval of the ordinance.

BE IT ORDAINED by the Council of the City of Hampton, Virginia that Section 24-39.1 of the City Code of the City of Hampton, Virginia, be amended and re-enacted as follows:
