### Resilient Hampton Projects Update

**PURPOSE/BACKGROUND:**

Staff will provide an update on progress from Phase II of Resilient Hampton. This will include a short recap of the community meeting held at the end of January, and primarily focus on proposed projects that came out of the weeklong design workshop. Staff is interested in proposing one or more of these projects be funded in the CIP and are looking for feedback on priority projects. Staff will also touch on potential funding sources for these projects.

**Recommendation:**

Provide feedback on proposed projects to go forward
